American Standard

LIFE.LOVE.HOME

Home life is never defined in black and white.

Color your home the way you add color to your life with American Standard

Every day is filled with a spectrum of stories and memories, painting our days with light, love, and everything in between.

We celebrate the bright days and feel the blues.

We bond with warmth, experience emotions in different tones, and find harmony with the people that complement our heart's hues.

Life is a vivid, vibrant spectacle—
Every moment adds to its rich palette.
And with American Standard, you can create a home that's just as colorful.

Every color has a story. Which one fits yours?

EasySet Exposed Auto Temperature Mixers

Commonly known as a thermostatic mixer, the auto-temperature mixer maintains the correct hot and cold water balance based on the user's pre-set temperature. It quickly adjusts to any changes in water pressure or temperature by automatically balancing the hot and cold water ratio, ensuring your water temperature stays consistent throughout the entire shower. The EasySet Exposed also comes with CoolShield to prevent accidental scalding and provides additional storage space for your convenience.
